Upon entering, you will receive a parking slip. Keep it. We will give you a pass before you leave to give to the parking attendant. You will not need to pay for any expenses.

For Vendors/technicians with equipment coming for a day or less, please contact us to reserve the service permit. There is a calendar we use to track reservations.

Where to Park: adjacent to Murray in any space marked Service Permit OR any unoccupied space. Technically this is a 2 hr permit, though it's often used for longer & we only once got a ticket.

Vendors/technicians with equipment coming for more than a day (up to weeks).

Type of permit: daily vendor service permit. **We need 3 days advance notice** to get one of these & will need to know the name, company address & phone number of the tech. Cost covered by you. \$6 per day, charged to account of your choice. Please bring the receipt to admin staff.
